

TECHNOLOGY

IOBoard

OVERVIEW

An electric in/out board that allows for the status tracking of employees and assets. It is a web-based system that works with all computer operating systems.

System features include:

- Access control by user;
- Ability to support multiple groups, and a single user could be a "group";
- Status in/out information for employee (or other asset) and return time;
- Do not disturb feature;
- Free form MEMO feature;
- "While you were out" message feature;
- "Find Me" feature allowing a user to enter multiple telephone numbers and e-mail addresses for tracking and more.
